

The West Kings Gender Identity and Sexual Orientation Alliance (GSA) is a student led group that offers an opportunity for students to:

- \*talk about, and learn about issues related to sexual orientation and gender identity.
- \* work together to make schools more positive for youth regardless of gender identity or sexual orientation.
- \* learn from one another
- \* plan social activities

The group meets weekly at the lunch break. Listen to the daily announcements for the room number.
